

Ohio Revised Code

Section 5103.13 Children's crisis care facilities requirements and limitations.

Effective: June 13, 2022

Legislation: House Bill 265 - 134th General Assembly

(A) As used in this section and section 5103.131 of the Revised Code:

(1)(a) "Children's crisis care facility" means a facility that has as its primary purpose the provision of residential and other care to either or both of the following:

(i) One or more preteens voluntarily placed in the facility by the preteen's parent or other caretaker who is facing a crisis that causes the parent or other caretaker to seek temporary care for the preteen and referral for support services;

(ii) One or more preteens placed in the facility by a public children services agency or private child placing agency that has legal custody or permanent custody of the preteen and determines that an emergency situation exists necessitating the preteen's placement in the facility rather than an institution certified under section 5103.03 of the Revised Code or elsewhere.

(b) "Children's crisis care facility" does not include any of the following:

(i) Any organization, society, association, school, agency, child guidance center, detention or rehabilitation facility, or children's clinic licensed, regulated, approved, operated under the direction of, or otherwise certified by the department of education, a local board of education, the department of youth services, the department of mental health and addiction services, or the department of developmental disabilities;

(ii) Any individual who provides care for only a single-family group, placed there by their parents or other relative having custody;

(iii) Any residential infant care center, as an entity deemed a residential infant care center under section 5103.602 of the Revised Code shall no longer be licensed as a children's crisis care center.

(2) "Legal custody" and "permanent custody" have the same meanings as in section 2151.011 of the Revised Code.

(3) "Pediatric medical service" means medical service required to be provided by, or with oversight from, a licensed medical professional, including prescribing medication, administering rectal or intravenous medication, and outpatient laboratory service, and providing for sick visits, on-site well child exams, and children assisted by medical technology.

(4) "Preteen" means an individual under thirteen years of age.

(B) No person shall operate a children's crisis care facility or hold a children's crisis care facility out as a certified children's crisis care facility unless there is a valid children's crisis care facility certificate issued under this section for the facility.

(C)(1) A person seeking to operate a children's crisis care facility shall apply to the director of job and family services to obtain a certificate for the facility.

(2)(a) The director shall certify the person's children's crisis care facility if the facility meets all of the certification standards established in rules adopted under division (H) of this section and the person complies with all of the rules governing the certification of children's crisis care facilities adopted under that division. The issuance of a children's crisis care facility certificate does not exempt the facility from a requirement to obtain another certificate or license mandated by law.

(b) The director shall not issue a waiver to a person for compliance with any of the requirements imposed under this section or any of the rules adopted under division (H) of this section.

(D) No certified children's crisis care facility shall do any of the following:

(1) Provide residential care to a preteen for more than one hundred twenty days in a calendar year;

(2) Provide residential care to a preteen for more than ninety consecutive days, which shall include the aggregate of days spent at different facility locations if a preteen is transferred in accordance with division (E)(4) of this section;

(3) Provide residential care to a preteen for more than fourteen consecutive days if a public children services agency or private child placing agency placed the preteen in the facility;

(4) Fail to comply with section 2151.86 of the Revised Code.

(E) A certified children's crisis care facility shall do the following:

(c) If a preteen is admitted by the preteen's parent or caretaker and if the preteen requires ongoing medical care following discharge from the facility, a medical professional or licensed social worker to make the medical professional's or social worker's best effort to ensure the parent or caretaker is competent to provide the ongoing care;

(d) The facility to have a dedicated and private enclosed space for the purpose of a medical professional to receive and treat patients and that contains a sink or tub, medical exam table, medical record system, and pediatric medical equipment.

(3) Require, if a preteen is admitted by the preteen's parent or caretaker, the facility's licensed social worker, licensed independent social worker, licensed professional counselor, or licensed professional clinical counselor to make their best efforts to ensure the parent or caretaker is competent in the basic parenting skills needed to care for the preteen;

- (4) Require only a transfer summary for the transfer of a preteen from one certified children's crisis care facility location to another, if the facility has more than one location;
- (5) Require the facility to have a dedicated and private enclosed space for the purpose of completing required admission paperwork and medical forms;

- (F) A certified children's crisis care facility may do the following:
- (1) Count administrative staff, interns, and volunteers toward child staff ratios required under paragraph (G) of rule 5101:2-9-36 of the Administrative Code for up to three hours if the administrative staff, interns, or volunteers meet the following requirements:

- (G) The director of job and family services may suspend or revoke a children's crisis care facility's certificate pursuant to Chapter 119. of the Revised Code if the facility violates or fails to comply with any of the requirements under this section or ceases to meet any of the certification standards established in rules adopted under division (H) of this section or the facility's operator ceases to comply with any of the rules governing the certification of children's crisis care facilities adopted under that division.

(H) Not later than ninety days after September 21, 2006, the director of job and family services shall adopt rules pursuant to Chapter 119. of the Revised Code for the certification of children's crisis care facilities. The rules shall specify that a certificate shall not be issued to an applicant if the conditions at the children's crisis care facility would jeopardize the health or safety of the preteens placed in the facility.
