

Ohio Revised Code

Section 5120.115 Authorized users; confidentiality of reports.

Effective: September 30, 2011

Legislation: House Bill 86 - 129th General Assembly

(A) Each authorized user of the single validated risk assessment tool described in section 5120.114 of the Revised Code shall have access to all reports generated by the risk assessment tool and all data stored in the risk assessment tool. An authorized user may disclose any report generated by the risk assessment tool to law enforcement agencies, halfway houses, and medical, mental health, and substance abuse treatment providers for penological and rehabilitative purposes. The user shall make the disclosure in a manner calculated to maintain the report's confidentiality.

(B) All reports generated by or data collected in the risk assessment tool are confidential information and are not a public record. No person shall disclose any report generated by or data collected in the risk assessment tool except as provided in division (A) of this section.

(C) As used in this section, "public record" has the same meaning as in section 149.43 of the Revised Code.
