

Ohio Revised Code

Section 5122.36 Expenses of return to county of residence.

Effective: September 15, 2014

Legislation: House Bill 483 - 130th General Assembly

If the legal residence of a person suffering from mental illness is in another county of the state, the necessary expense of the person's return is a proper charge against the county of legal residence. If an adjudication and order of hospitalization by the probate court of the county of temporary residence are required, the regular probate court fees and expenses incident to the order of hospitalization under this chapter and any other expense incurred on the person's behalf shall be charged to and paid by the county of the person's legal residence upon the approval and certification of the probate judge of that county. The ordering court shall send to the probate court of the person's county of legal residence a certified transcript of all proceedings had in the ordering court. The receiving court shall enter and record the transcript. The certified transcript is prima facie evidence of the residence of the person. When the residence of the person cannot be established as represented by the ordering court, the matter of residence shall be referred to the department of mental health and addiction services for investigation and determination.
