(A) The department of developmental disabilities shall take action under division (B) of this section against a county board of developmental disabilities if any of the following are the case:

(1) The county board fails to submit to the department all the components of its three-year plan required by section 5126.054 of the Revised Code.

(2) The department disapproves the county board's three-year plan under section 5123.046 of the Revised Code.

(3) The county board fails, as required by division (B) of section 5126.054 of the Revised Code, to update and renew its three-year plan in accordance with a schedule the department develops under that section.

(4) The county board fails to implement its initial or renewed three-year plan approved by the department.

(5) The county board fails to correct a deficiency within the time required by division (F) of section 5126.055 of the Revised Code to the satisfaction of the department.

(6) The county board fails to submit an acceptable plan of correction to the department within the time required by division (F)(2) of section 5126.055 of the Revised Code.

(B) If required by division (A) of this section to take action against a county board, the department shall issue an order terminating the county board's medicaid local administrative authority over all or part of home and community-based services, medicaid case management services, or all or part of both of those services. The department shall provide a copy of the order to the board of county commissioners, senior probate judge, county auditor, and president and superintendent of

the county board. The department shall specify in the order the medicaid local administrative authority that the department is terminating, the reason for the termination, and the county board's option and responsibilities under this division.

A county board whose medicaid local administrative authority is terminated may, not later than thirty days after the department issues the termination order, recommend to the department that another county board that has not had any of its medicaid local administrative authority terminated or another entity the department approves administer the services for which the county board's medicaid local administrative authority is terminated. The department may contract with the other county board or entity to administer the services. If the department enters into such a contract, the county board shall adopt a resolution giving the other county board or entity full medicaid local administrative authority over the services that the other county board or entity is to administer. The other county board or entity shall be known as the contracting authority.

If the department rejects the county board's recommendation regarding a contracting authority, the county board may appeal the rejection under section 5123.043 of the Revised Code.

If the county board does not submit a recommendation to the department regarding a contracting authority within the required time or the department rejects the county board's recommendation and the rejection is upheld pursuant to an appeal, if any, under section 5123.043 of the Revised Code, the department shall appoint an administrative receiver to administer the services for which the county board's medicaid local administrative authority is terminated. To the extent necessary for the department to appoint an administrative receiver, the department may utilize employees of the department, management personnel from another county board, or other individuals who are not employed by or affiliated with in any manner a person that provides home and community-based services or medicaid case management services pursuant to a contract with any county board. The administrative receiver shall assume full administrative responsibility for the county board's services for which the county board's medicaid local administrative authority is terminated.

The contracting authority or administrative receiver shall develop and submit to the department a plan of correction to remediate the problems that caused the department to issue the termination order. If, after reviewing the plan, the department approves it, the contracting authority or

administrative receiver shall implement the plan.

The county board shall transfer control of state and federal funds it is otherwise eligible to receive for the services for which the county board's medicaid local administrative authority is terminated and funds the county board may use under division (A) of section 5126.0511 of the Revised Code to pay the nonfederal share of the services that the county board is required by sections 5126.059 and 5126.0510 of the Revised Code to pay. The county board shall transfer control of the funds to the contracting authority or administrative receiver administering the services. The amount the county board shall transfer shall be the amount necessary for the contracting authority or administrative receiver to fulfill its duties in administering the services, including its duties to pay its personnel for time worked, travel, and related matters. If the county board fails to make the transfer, the department may withhold the state and federal funds from the county board and bring a mandamus action against the county board in the court of common pleas of the county served by the county board or in the Franklin county court of common pleas. The mandamus action may not require that the county board transfer any funds other than the funds the county board is required by division (B) of this section to transfer.

The contracting authority or administrative receiver has the right to authorize the payment of bills in the same manner that the county board may authorize payment of bills under this chapter and section 319.16 of the Revised Code.
