

## Ohio Revised Code

### Section 5501.56 System safety program plan.

Effective: September 17, 1996

Legislation: House Bill 572 - 121st General Assembly

---

(A) Each transit agency shall do all of the following:

(1) Develop a system safety program plan that complies with the safety program plan standards adopted by the department of transportation under section 5501.55 of the Revised Code and includes standards for the personal security of passengers and employees;

(2) Conduct an annual internal safety audit and submit the audit to the department;

(3) Report accidents and unacceptable hazardous conditions, as defined in the guidelines developed by the director of transportation under section 5501.55 of the Revised Code, to the department within a time period specified by the department;

(4) Minimize, control, correct, or eliminate any investigated unacceptable hazardous condition within a time period specified by the department and in accordance with a plan approved by the department;

(5) Provide all necessary assistance to the department as required to allow the department to conduct appropriate on-site investigations of accidents and unacceptable hazardous conditions at the transit system.

(B) Any part of a transit agency's system safety program plan that concerns security for the system is confidential and is not subject to disclosure, inspection, or copying under section 149.43 of the Revised Code. Security information shall be disclosed only at the discretion of the director or as otherwise provided in section 5501.55 of the Revised Code.
