

## Ohio Revised Code

Section 5575.03 Contract shall not be awarded at more than estimated cost - rejection of bids.

Effective: July 15, 1985

Legislation: House Bill 26 - 116th General Assembly

---

No contract for any road improvement shall be awarded at a price more than ten per cent in excess of the estimated cost. The bids received shall be opened at the time stated in the notice. If no bids are made that equal one hundred ten per cent of the estimate or less, the board of township trustees shall either readvertise at the original estimate, or request an amended estimate from the county engineer, who shall proceed to make such an estimate as provided in section 5575.01 of the Revised Code, or obtain such an amended estimate and proceed to advertise at the amended estimate. No contract shall be awarded for any road improvement without the certification as to funding required under section 5705.41 of the Revised Code. The board may reject all bids.
