

Ohio Revised Code

Section 5701.14 Entity operating with nonprofit purpose defined - single member LLC.

Effective: June 20, 2008

Legislation: House Bill 160 - 127th General Assembly

For purposes of Title LVII of the Revised Code:

(A) In order to determine a limited liability company's nonprofit status, an entity is operating with a nonprofit purpose under section 1705.02 of the Revised Code if that entity is organized other than for the pecuniary gain or profit of, and its net earnings or any part of its net earnings are not distributable to, its members, its directors, its officers, or other private persons, except that the payment of reasonable compensation for services rendered, payments and distributions in furtherance of its nonprofit purpose, and the distribution of assets on dissolution permitted by section 1702.49 of the Revised Code are not pecuniary gain or profit or distribution of net earnings. In no event shall payments and distributions in furtherance of an entity's nonprofit purpose deprive the entity of its nonprofit status as long as all of the members of that entity are operating with a nonprofit purpose.

(B) A single member limited liability company that operates with a nonprofit purpose, as described in division (A) of this section, shall be treated as part of the same legal entity as its nonprofit member, and all assets and liabilities of that single member limited liability company shall be considered to be that of the nonprofit member. Filings or applications for exemptions or other tax purposes may be made either by the single member limited liability company or its nonprofit member.
