

Ohio Revised Code

Section 5705.03 Authorization to levy taxes - collection.

Effective: March 30, 2006

Legislation: House Bill 530 - 126th General Assembly

(A) The taxing authority of each subdivision may levy taxes annually, subject to the limitations of sections 5705.01 to 5705.47 of the Revised Code, on the real and personal property within the subdivision for the purpose of paying the current operating expenses of the subdivision and acquiring or constructing permanent improvements. The taxing authority of each subdivision and taxing unit shall, subject to the limitations of such sections, levy such taxes annually as are necessary to pay the interest and sinking fund on and retire at maturity the bonds, notes, and certificates of indebtedness of such subdivision and taxing unit, including levies in anticipation of which the subdivision or taxing unit has incurred indebtedness.

(B)(1) When a taxing authority determines that it is necessary to levy a tax outside the ten-mill limitation for any purpose authorized by the Revised Code, the taxing authority shall certify to the county auditor a resolution or ordinance requesting that the county auditor certify to the taxing authority the total current tax valuation of the subdivision, and the number of mills required to generate a specified amount of revenue, or the dollar amount of revenue that would be generated by a specified number of mills. The resolution or ordinance shall state the purpose of the tax, whether the tax is an additional levy or a renewal or a replacement of an existing tax, and the section of the Revised Code authorizing submission of the question of the tax. If a subdivision is located in more than one county, the county auditor shall obtain from the county auditor of each other county in which the subdivision is located the current tax valuation for the portion of the subdivision in that county. The county auditor shall issue the certification to the taxing authority within ten days after receiving the taxing authority's resolution or ordinance requesting it.

(2) When considering the tangible personal property component of the tax valuation of the subdivision, the county auditor shall take into account the assessment percentages prescribed in section 5711.22 of the Revised Code. The tax commissioner may issue rules, orders, or instructions directing how the assessment percentages must be utilized.

(3) If, upon receiving the certification from the county auditor, the taxing authority proceeds with

the submission of the question of the tax to electors, the taxing authority shall certify its resolution or ordinance, accompanied by a copy of the county auditor's certification, to the proper county board of elections in the manner and within the time prescribed by the section of the Revised Code governing submission of the question, and shall include with its certification the rate of the tax levy, expressed in mills for each one dollar in tax valuation as estimated by the county auditor. The county board of elections shall not submit the question of the tax to electors unless a copy of the county auditor's certification accompanies the resolution or ordinance the taxing authority certifies to the board. Before requesting a taxing authority to submit a tax levy, any agency or authority authorized to make that request shall first request the certification from the county auditor provided under this section.

(4) This division is supplemental to, and not in derogation of, any similar requirement governing the certification by the county auditor of the tax valuation of a subdivision or necessary tax rates for the purposes of the submission of the question of a tax in excess of the ten-mill limitation, including sections 133.18 and 5705.195 of the Revised Code.

(C) All taxes levied on property shall be extended on the tax duplicate by the county auditor of the county in which the property is located, and shall be collected by the county treasurer of such county in the same manner and under the same laws and rules as are prescribed for the assessment and collection of county taxes. The proceeds of any tax levied by or for any subdivision when received by its fiscal officer shall be deposited in its treasury to the credit of the appropriate fund.
