(3) Except as provided in division (E)(4) of this section, the full amount of any reserve balance the board includes in its budget shall be retained by the county auditor and county treasurer out of the first semiannual settlement of taxes until the beginning of the next succeeding fiscal year, and thereupon, with the depository interest apportioned thereto, it shall be turned over to the board of education, to be used for the purposes of such fiscal year.

(4) A board of education, by a two-thirds vote of all members of the board, may appropriate any amount withheld as a voluntary contingency reserve balance during the fiscal year for any lawful purpose, provided that prior to such appropriation the board of education has authorized the expenditure of all amounts appropriated for contingencies under section 5705.40 of the Revised Code. Upon request by the board of education, the county auditor shall draw a warrant on the district's account in the county treasury payable to the district in the amount requested.

(F)(1) A board of education may include a spending reserve in its budget for fiscal years ending on or before June 30, 2002. The spending reserve shall consist of an estimate of expenditures not to exceed the district's spending reserve balance. A district's spending reserve balance is the amount by which the designated percentage of the district's estimated personal property taxes to be settled during the calendar year in which the fiscal year ends exceeds the estimated amount of personal property taxes to be so settled and received by the district during that fiscal year. Moneys from a spending reserve shall be appropriated in accordance with section 133.301 of the Revised Code.

(2) For the purposes of computing a school district's spending reserve balance for a fiscal year, the designated percentage shall be as follows:

(G) Except as otherwise provided in this division, the county budget commission shall not reduce the taxing authority of a subdivision as a result of the creation of a reserve balance account. Except as otherwise provided in this division, the county budget commission shall not consider the amount in a reserve balance account of a township, county, or municipal corporation as an unencumbered balance or as revenue for the purposes of division (E)(3) or (4) of section 5747.51 of the Revised Code. The county budget commission may require documentation of the reasonableness of the reserve balance held in any reserve balance account. The commission shall consider any amount in a reserve balance account that it determines to be unreasonable as unencumbered and as revenue for the purposes of section 5747.51 of the Revised Code and may take such amounts into consideration when determining whether to reduce the taxing authority of a subdivision.
