Effective: September 29, 2011

Legislation: House Bill 153 - 129th General Assembly

(A) The board of education of a city, local, or exempted village school district, at any time by a vote of two-thirds of all its members, may declare by resolution that it may be necessary for the school district to do all of the following:

- (1) Raise a specified amount of money for school district purposes by levying an annual tax on school district income;
- (2) Issue general obligation bonds for permanent improvements, stating in the resolution the necessity and purpose of the bond issue and the amount, approximate date, estimated rate of interest, and maximum number of years over which the principal of the bonds may be paid;
- (3) Levy a tax outside the ten-mill limitation to pay debt charges on the bonds and any anticipatory securities;
- (4) Submit the question of the school district income tax and bond issue to the electors of the district at a special election.

The resolution shall specify whether the income that is to be subject to the tax is taxable income of individuals and estates as defined in divisions (E)(1)(a) and (2) of section 5748.01 of the Revised Code or taxable income of individuals as defined in division (E)(1)(b) of that section.

On adoption of the resolution, the board shall certify a copy of it to the tax commissioner and the county auditor no later than one hundred five days prior to the date of the special election at which the board intends to propose the income tax and bond issue. Not later than ten days of receipt of the resolution, the tax commissioner, in the same manner as required by division (A) of section 5748.02 of the Revised Code, shall estimate the rates designated in divisions (A)(1) and (2) of that section and certify them to the board. Not later than ten days of receipt of the resolution, the county auditor shall estimate and certify to the board the average annual property tax rate required throughout the

stated maturity of the bonds to pay debt charges on the bonds, in the same manner as under division (C) of section 133.18 of the Revised Code.

(B) On receipt of the tax commissioner's and county auditor's certifications prepared under division (A) of this section, the board of education of the city, local, or exempted village school district, by a vote of two-thirds of all its members, may adopt a resolution proposing for a specified number of years or for a continuing period of time the levy of an annual tax for school district purposes on school district income and declaring that the amount of taxes that can be raised within the ten-mill limitation will be insufficient to provide an adequate amount for the present and future requirements of the school district; that it is necessary to issue general obligation bonds of the school district for specified permanent improvements and to levy an additional tax in excess of the ten-mill limitation to pay the debt charges on the bonds and any anticipatory securities; and that the question of the bonds and taxes shall be submitted to the electors of the school district at a special election, which shall not be earlier than ninety days after certification of the resolution to the board of elections, and the date of which shall be consistent with section 3501.01 of the Revised Code. The resolution shall specify all of the following:

(1) The purpose for which the school district income tax is to be imposed and the rate of the tax, which shall be the rate set forth in the tax commissioner's certification rounded to the nearest one-fourth of one per cent;

(2) Whether the income that is to be subject to the tax is taxable income of individuals and estates as defined in divisions (E)(1)(a) and (2) of section 5748.01 of the Revised Code or taxable income of individuals as defined in division (E)(1)(b) of that section. The specification shall be the same as the specification in the resolution adopted and certified under division (A) of this section.

(3) The number of years the tax will be levied, or that it will be levied for a continuing period of time;

(4) The date on which the tax shall take effect, which shall be the first day of January of any year following the year in which the question is submitted;

(5) The county auditor's estimate of the average annual property tax rate required throughout the

stated maturity of the bonds to pay debt charges on the bonds.

(C) A resolution adopted under division (B) of this section shall go into immediate effect upon its passage, and no publication of the resolution shall be necessary other than that provided for in the notice of election. Immediately after its adoption and at least ninety days prior to the election at which the question will appear on the ballot, the board of education shall certify a copy of the resolution, along with copies of the auditor's estimate and its resolution under division (A) of this section, to the board of elections of the proper county. The board of education shall make the arrangements for the submission of the question to the electors of the school district, and the election shall be conducted, canvassed, and certified in the same manner as regular elections in the district for the election of county officers.

The resolution shall be put before the electors as one ballot question, with a majority vote indicating approval of the school district income tax, the bond issue, and the levy to pay debt charges on the bonds and any anticipatory securities. The board of elections shall publish the notice of the election in a newspaper of general circulation in the school district once a week for two consecutive weeks, or as provided in section 7.16 of the Revised Code, prior to the election. - (6) The estimated additional average annual property tax rate to pay the debt charges on the bonds, as certified by the county auditor;

(7) The time and place of the special election.
