At the final hearing on a proposed improvement, if the petition is not dismissed, the board of county commissioners shall hear any evidence offered for or against the assessment proposed to be levied against any owner or on any land as shown by the schedule of assessments filed by the county engineer and shall hear any competent evidence on the question of benefits. The board, from the evidence offered and from an actual view of the premises, shall amend and correct the assessments, and the assessments so amended or corrected shall be approved by the board. That part of the assessment that is assessed for benefits to the general public because the improvement is conducive to the public welfare shall be paid by the public and shall be assessed against the county payable from the general fund. Such part of the assessment as is found to benefit state roads or highways shall be assessed against the state payable from motor vehicle revenues. Such part of the assessment as is found to benefit county roads or highways shall be assessed against the county payable from motor vehicle revenues. Such part of the assessment as is found to benefit any public corporation or political subdivision of the state shall be assessed against the public corporation or political subdivision and shall be paid out of the general funds or motor vehicle revenues of the public corporation or political subdivision of the state, except as otherwise provided by law. The board shall approve and confirm the assessments, shall order the engineer to receive bids for the construction of the proposed improvement, and shall fix the date, time, and place for the receiving of bids, which shall be not less than twenty-five days after the date of the order. The board shall determine when the assessments shall be paid and shall determine whether bonds or notes shall be issued in anticipation of and payable out of the installments of assessments. The board's orders approving the assessments and ordering the engineer to receive bids, and other orders made at this hearing, shall be entered on its journal. The clerk of the board of county commissioners shall immediately transmit to the county auditor the schedules listing all assessments as approved by the board.

Any owner opposed to the granting of the petition, or any owner opposed to further proceedings in the improvement, or any owner who claims that the assessment levied against him is excessive or is not in proportion to benefits, may appeal from any order made pursuant to this section, as provided in section 6131.25 of the Revised Code.
