

## Ohio Revised Code Section 905.324 Confidentiality.

Effective: August 21, 2014

Legislation: Senate Bill 150 - 130th General Assembly

---

(A) Except as provided in division (B) of this section, the director of agriculture, an employee of the department of agriculture, the supervisors of a soil and water conservation district, an employee of a district, and a contractor of the department or a district shall not disclose information, including data from geographic information systems and global positioning systems, used in the development or approval of or contained in a voluntary nutrient management plan.

(B) The director or the supervisors of a district may release or disclose information specified in division (A) of this section to a person or a federal, state, or local agency working in cooperation with the director or the supervisors in the development or approval of a voluntary nutrient management plan if the director or supervisors determine that the person or federal, state, or local agency will not subsequently disclose the information to another person who is not authorized by the person who owns or operates agricultural land to receive the information. The director or the supervisors of a district may release or disclose information specified in division (A) of this section to the extent required by the "Federal Water Pollution Control Act" as defined in section 6111.01 of the Revised Code.
