

Ohio Revised Code

Section 940.11 Policies for soil and water conservation district credit card accounts.

Effective: January 1, 2016

Legislation: House Bill 64 - 131st General Assembly

The supervisors of a soil and water conservation district may hold one or more credit cards on behalf of the district and may authorize any supervisor or employee of the district to use such a credit card to pay for expenses related to the purposes of the district. The supervisors shall pay the debt incurred as a result of the use of such a credit card from money accepted by the supervisors as authorized under division (E) of section 940.06 of the Revised Code or from the special fund established for the district under section 940.12 of the Revised Code.

The misuse of a credit card held on behalf of a soil and water conservation district is a violation of section 2913.21 of the Revised Code. In addition, a supervisor or employee of a district who makes unauthorized use of such a credit card may be held personally liable to the district for the unauthorized use. This section does not limit any other liability of a supervisor or employee of a district for the unauthorized use of such a credit card.

A supervisor or employee of a soil and water conservation district who is authorized to use a credit card that is held on behalf of the district and who suspects the loss, theft, or possibility of another person's unauthorized use of the credit card immediately shall notify the supervisors in writing of the suspected loss, theft, or possible unauthorized use.
