

## Ohio Revised Code

### Section 955.01 Registration of dogs.

Effective: September 15, 2014

Legislation: House Bill 483 - 130th General Assembly

---

(A)(1) Except as otherwise provided in this section or in sections 955.011, 955.012, and 955.16 of the Revised Code, every person who owns, keeps, or harbors a dog more than three months of age shall file, on or after the first day of the applicable December, but before the thirty-first day of the applicable January, in the office of the county auditor of the county in which the dog is kept or harbored, an application for registration for a period of one year or three years or an application for a permanent registration. The board of county commissioners, by resolution, may extend the period for filing the application. The application shall state the age, sex, color, character of hair, whether short or long, and breed, if known, of the dog and the name and address of the owner of the dog. A registration fee of two dollars for each year of registration for a one-year or three-year registration or twenty dollars for a permanent registration for each dog shall accompany the application. However, the fee may exceed that amount if a greater fee has been established under division (A)(2) of this section or under section 955.14 of the Revised Code.

(2) A board of county commissioners may establish a registration fee higher than the one provided for in division (A)(1) of this section for dogs more than nine months of age that have not been spayed or neutered, except that the higher registration fee permitted by this division shall not apply if a person registering a dog furnishes with the application either a certificate from a licensed veterinarian verifying that the dog should not be spayed or neutered because of its age or medical condition or because the dog is used or intended for use for show or breeding purposes or a certificate from the owner of the dog declaring that the owner holds a valid hunting license issued by the division of wildlife of the department of natural resources and that the dog is used or intended for use for hunting purposes. If the board establishes such a fee, the application for registration shall state whether the dog is spayed or neutered, and whether a licensed veterinarian has certified that the dog should not be spayed or neutered or the owner has stated that the dog is used or intended to be used for hunting purposes. The board may require a person who is registering a spayed or neutered dog to furnish with the application a certificate from a licensed veterinarian verifying that the dog is spayed or neutered. No person shall furnish a certificate under this division that the person knows to be false.

(B) If the application for registration is not filed and the registration fee paid, on or before the thirty-first day of the applicable January of each year or, if the board of county commissioners by resolution has extended the date to a date later than the thirty-first day of January, the date established by the board, the auditor shall assess a penalty in an amount equal to the registration fee for one year upon the owner, keeper, or harborer, which shall be paid with the registration fee.

(C) An animal shelter that keeps or harbors a dog more than three months of age is exempt from paying any fees imposed under division (A) or (B) of this section if it is a nonprofit organization that is exempt from federal income taxation under subsection 501(a) and described in subsection 501(c)(3) of the "Internal Revenue Code of 1986," 100 Stat. 2085, 26 U.S.C. 1.
